

This book covers iOS 7 for iPads 2 - 5 (iPad Air) & iPad Mini and is just what you need to get the most out of your iPad

iPad in easy steps for iPad 2-5 (iPad Air) & iPad Mini, 5th edition covers the latest operating system, iOS 7,

Learn how to:

- Optimize your settings so that your new device works exactly how you want it to
- Keep in touch using the iPad and have fun surfing the Web, and exploring apps for photos, music, videos, games and reading
- Utilise your iPad for work: get organised, sync with your main computer, get the latest news, run presentations and write documents

- Grasp the new Multitasking and Control Centre features to work faster on day-to-day tasks
- Speak to Siri to do things-no need to type!

I found the book easy to read and understand with clear wording and numerous good examples, illustrations and descriptions all in full colour. It is packed with tips and shortcuts to help you make the most of your iPad **in easy steps**.

I recommend this book to anyone who has questions about the iPad. It is a very good reference tool to have on your bookshelf.
