When the cursor is in a numeric field, simply press F5 to access the Currency Calculator. This can be used for converting from Sterling to a Euro/Foreign Currency or to convert a Euro/Foreign Currency amount to Sterling.

Exchange rates change frequently, so make sure you have the latest rates entered before recording a foreign currency transaction. Up-to-date rates are available from a number of sources, including the internet (e.g. [www.xe.com](http://www.xe.com)).
